Road Repair Update

Great news!!

The project to re-pave the streets in the eastern end of the subdivision took a very big step recently. The Road Commission for Oakland County now is in receipt of the signatures gathered by Katey Sieser, Carrie Merkel, Sue Ziem and others on the Expression of Interest

Form and will be responding in the next 6-8 months with a preliminary plan for repaving.

Keep your eyes on this spot for updates, as when we enter the next phase of the Road Commission's program, as it will have requirements that are time sensitive. Want to be a part of the effort?

We need you, so call me!

Got Dogs?

Please remember that your dog must be on a leash while walking at all times. This is a township rule and must also be followed in our neighborhood for the safety of all animals and owners. ☺

Don't forget your doggie clean-up bags when walking your dog.

Garage Sales

Mark your calendars!! We will have two garage sales again this year! May 21, 2022 and August 6, 2022.

Board Meeting Minutes

The Board will be sharing all meeting minutes via www.myfoxbay.com. If someone would like a hard copy of the meeting minutes, please email Secretary@myfoxbay.com. You will need to set up a time to pick up the minutes.

Constitution

We have revisited the constitution as it was written in 2010 and previously adopted.

We've posted it to www.myfoxbay.com for review. Further revisions will be reviewed with a legal team prior to being adopted at the annual meeting. Please contact the Board President with questions.

JOIN OUR FACEBOOK GROUP!

Find us on Facebook at "**Fox Bay Friends**"!

This group is a way to interact with your neighbors, hear about events, hear about other important updates and more! We want to hear from you! Really, we do!

Fishing Hooks

As you all know, there is no fishing permitted in the beach area of the beach lot. We're finding a lot of hooks and other sharp objects in the sand that could hurt someone. Please refrain from fishing in the sandy area. Additionally, we're looking for someone who has a nail magnet walk behind and would be willing to periodically sweep the area for us? Please contact someone on the Board if you're able to help us out!
