Sub Sale

The FBCA annual Sub Sale is scheduled for Saturday, June 25th. Signs will be posted at the main entrances at least one week before to advertise for this annual event.

Directory Updates Year

The FBCA was last updated in 2009. It is once again time to update our information. In 2009, several residents did not submit updates and their information was obtained from public records and billing information, which for some, included phone numbers they did not want in the directory. To ensure that your contact information is correct and is the information you want listed, (or to opt for your phone numbers to be listed as “unlisted”), please submit the attached form.

Lake Treatments

Lake dewatering treatments will occur in May, June, July and August. Signs will be posted along the lakeshore at the beach lot and at on property for lakefront owners each time a treatment occurs to warn residents and visitors of any temporary water restrictions. When possible, a message will be sent via the REMIND app.

Vacation House Checks

Going on Vacation? Sign up to have the White Lake Police to check on your home while you're away. Call 248-698-4400, or go to the website listed below to sign up.

News and Reminders

Please remember that we are a deed restricted community.

- Any structures, such as dog-runs, decks, fences, sun rooms, etc. must be approved by the Building Committee PRIOR to construction. If you build without approval, or your structure is in violation of the deed restrictions, you will be required to remove the structure and/or pay to have it removed. You will also be responsible for any legal fees incurred by the board during this process.
- With warmer weather is in sight, our neighbors and pets are enjoying the outdoors. Please remember to keep your dogs on a leash when walking them, and don't forget your doggie bags.
- Please be aware that boats, RVs and trailers may be parked at a residence for cleaning, but only for a few days.
- Please remember that there are to be no motor vehicles on the lake.
- If you know of any new members to our community, please contact Trina Frizzle so she can welcome them.
