### **Park Inspection Update**

Recently the Board met with our insurance carrier at the beach lot for an inspection of the park, playground equipment and beach area. Overall, the beach lot is in great condition! The playground mulch is acceptable for children use.

Over the next year, the Board will be looking into pricing for some updates to the Beach lot.

### **PACT**

PACT, or Police and Community Together, has been initiated by the White Lake Police Department (WLPD) to increase communication and keep residents informed.

Communication:

- If you see something suspicious, but not in progress, e-mail Sergeant Ivory, at [mivory@whitelakepolice.com](mailto:mivory@whitelakepolice.com).
- If you see something suspicious that is in progress or needs immediate attention, call the WLPD at 248-698-4400.
- If you have an emergency, call 9-1-1.

### **Lake Health Update - From Dan Scott**

We have a new dewatering company, Blue Water Aquatics (BWA). Our prior company has liquidated since the passing of Ray Krause, and son Bill not being able to maintain the business part-time. Ray recommended Kirk Grant at BWA. Kirk is professional and personable with 28 years' experience with over 20 years at BWA. As a favor, he is honoring our former price of \$3,210 per year for our 6.5 acres of water (Allen Lake and Fox Bay combined).

We are still on a 4-treatment regimen, which began May 24th, just in time for Memorial Day. Subsequent treatments will be on or around July 4, Late July/Early August, Late August/Early September. As always, these dates work around rain, and I will get notification of the upcoming treatment. You will all be notified by text or the Facebook group, FoxBayFriends.

I have found that it isn't necessary to sample every week as we have in the past. Yet, more frequent sampling is more reliable by way of normalizing the readings. So, I will be taking a sample once a week for four weeks starting on May 31, then once a month. If we have a string of hot stagnant weather, I will take an additional sample as well. The beach has already seen plenty of swimmers! Love our lake! It's our great asset!
