SANTA VISITS!

The FBCA has arranged for Santa Claus to visit homes in Fox Bay on Saturday, December 7th for FREE!! This is a great opportunity to have Santa visit your house for family photos or to deliver an early present to kids who have been extra good this year (nieces/nephews/kids/grandkids). As his reindeer will be resting to prepare for the big flight, Santa will be borrowing a Truck to make his way around our neighborhood. Please contact Mindy Ritter to schedule your visit with Santa, 248-698-0031

There will be no holiday light contest this season

Snow Plowing Offer

We recently signed a new contract with a new snow removal company. The company has offered each home in the neighborhood an unlimited amount of plows for your driveway for the entire season for only \$300. If you're interested, please contact Steve at 248-881-7619. Please be advised, he will not do sidewalks.

Vacation House Program

This is a great resource if you're planning on going out of town! Especially with the holidays upon us!

If you are going out of town for **less than two months**, you can sign up for the WLPD to check your property (including your doors and windows) twice a week.

If you are going out of town for **more than two months**, you can sign up for the WLPD to check your property at least six times per month.

You must sign up for each vacation at whitelakepolice.com.

PACT

PACT, or Police and Community Together, has been initiated by the White Lake Police Department (WLPD) to increase communication and keep residents informed.

Communication:

- If you see something suspicious, but not in progress, e-mail Sergeant Ivory, at mivory@whitelakepolice.com.
- If you see something suspicious that is in progress or needs immediate attention, call the WLPD at 248-698-4400.
- If you have an emergency, call 9-1-1.

Halloween Potluck!

Thanks to everyone that came out to the Halloween Pot Luck! It was a great time and all the kiddos looked cute!

Fox Bay Road Replacement Project

This must be restarted from the beginning due to lack of volunteer assistance and the length of time from the previous request.

We are seeking volunteers to gather signatures again to request a new quote for street replacement from the Road Commission.

The plans are to include only the streets in bad shape, **to ensure your street is included and to assist in this enormous task please consider volunteering we need your help!**

Please contact one of the people listed below via email so we can get started on the process ASAP.

Thank you in advance for your help, we can't do this alone!!
