This group is a way to interact with your neighbors, hear about events, hear about other important updates and more! We want to hear from you! Really, we do!

Board Meeting Minutes

The Board will be sharing all meeting minutes via www.myfoxbay.com. If someone would like a hard copy of the meeting minutes, please email Secretary@myfoxbay.com. You will need to set up a time to pick up the minutes.

Got Dogs?

Please remember that your dog must be on a leash while walking at all times. This is a township rule and must also be followed in our neighborhood for the safety of all animals and owners. ☺

Don't forget your doggie clean-up bags when walking your dog.

Halloween at the Beach Lot

Join us on October 16 (October 23 rain date) for a Halloween party! We will provide pizza and cookies! We're asking for donations for pop, water and juice. ☺ There will be a costume contest for the kids. We hope you can join us! Please email secretary@myfoxbay.com with any questions.

Christmas at the Beach Lot

Please join us on December 11 for a Christmas event at the beach lot! We will have a tree lighting ceremony, hot cocoa, cookies and a small craft for the kids! Santa will also be there! Due to COVID, we will not be a photo opportunity with Santa but he will be walking around during the party!

Lake Update

We had a couple of challenges in 2021. In July we had test samples reveal high levels of E. coli, which closed the beach for a couple of weeks. Once we got excellent samples, the beach was opened immediately.

Later, just before Labor Day, we had to close it again due to the presence of blue-green algae blossoms, which are toxic -- especially to pets. This was a problem for many Michigan beaches. We requested a special water treatment from our treatment company, Aquatic, but due to this year's relentless parade of storms, we

had to wait for a clear forecast. Once we had the lake treated, we were able to open up the beach just after Labor Day.

We have learned a lot this year. We are hoping next year is more predictable and favorable. Our lake is our community's prized resource. Thanks to all that help support our efforts to make it better! It is wonderful to see more people swimming and enjoying the beach!

If you are interested in helping with taking samples next year, or delivering them to the Health Department, we would like to hear from you. Please contact anyone on the board.

Food Truck Update

As of right now, we have food trucks scheduled every Thursday (unless canceled) until the end of November. You can check out the schedule at <https://foodtruck.tours/subdivisions/fox-bay-subs?rq=fox%20bay>

We hope everyone is enjoying the food trucks! Do you have a food truck you'd like to try? If so, please contact Tiffany Cavill to try to reserve it for an upcoming Thursday!

Annual Dues

Just as a reminder, annual dues were due on August 1, 2021. If you have not paid your dues, please remit payment as soon as possible.

Snow Removal Reminders

With the snow season approaching, we wanted to remind everyone that the streets are not plowed unless we have 2" inches or more. Additionally, if you're able to park in your driveway for large snow storms, please do so. It will make plowing a lot easier.

YOU'VE BEEN BOOED!

What is it?! It's a super fun tradition where you secretly leave a basket of Halloween goodies on the front porch of a neighbor or friend. Once they have been "Booed," they hang a sign on their front door so other neighbors know they have already received a Boo Basket.

You've Been

BOOED!

You've just been booed
Now it's your turn!
Put together a surprise that's
fun and Halloween-y,
add these tags and leave
it on someone's doorstep
Hang the We've Been Booed sign
on your door so others know
you've already been booed!
